REVOCATION AND NEW POWER OF ATTORNEY

Under 37 CFR §3.73(b), Dana-Farber Cancer Institute, Inc., a corporation, certifies that it is the assignee of 100% of the right, title and interest in the patents and patent applications listed on the attached Table by virtue of assignments from the inventors of the patents and patent applications. The assignments for these patents and patent applications were recorded in the Patent and Trademark Office at the Reel and Frame numbers provided in the Table 1.

The undersigned, acting on behalf of the assignee, hereby revokes all powers of attorney previously granted in the patents and patent applications listed on the attached Table 1 and appoints the practitioners associated with:

PTO Customer Number:

26211

with full power of substitution and revocation, to prosecute the patents and patent applications listed on the attached Table 1 and to transact all business in the United States Patent and Trademark Office connected therewith.

All correspondence regarding the patents and patent applications listed on the attached Table 1 should be sent to:

PTO Customer Number:

26211

Direct all telephone calls to telephone number (617) 542-5070.

The undersigned has reviewed all the documents in the chain of title of the patent application identified above and, to the best of undersigned's knowledge and belief, title is in the assignee identified above.

The undersigned, whose title is supplied below, is empowered to act on behalf of the assignee.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these

statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.

Respectfully submitted,

Dana-Farber Cancer Institute, Inc.
